EXPERIENCE THE COURSE

COURSE STATS:

The Latrobe Elks Golf Club, established in 1961, is a semi-private 18-hole course located in Latrobe, Pennsylvania.

Spanning 6,408 yards from the longest tees, it offers a par-72 layout that caters to golfers of varying skill levels.

The course is characterized by its narrow, tree-lined fairways and fast, undulating greens, providing a challenging yet fair experience.

Water hazards and strategically placed sand bunkers add to the complexity, particularly on holes like the 169-yard par-3 10th, which features a pond between the tee box and green.

EXTRAS:

The Latrobe Elks Golf Club also offers amenities such as a driving range, putting green, and a pro shop stocked with apparel and equipment from major brands that offers a 15% discount to golf members.

GUESTS:

The Latrobe Elks invites guests, leagues and outings to enjoy the course year round, as weather permits.

Overall, the Latrobe Elks Golf Club delivers a rewarding golfing experience for everyone, combining a thoughtfully designed course with comprehensive facilities and a welcoming atmosphere.

"I have been a golf member here for a few years, and an Elk for about 7 years. There aren't too many golf courses that are kept this nice for the money. All of the members here are nice people and the golf course is always pristine."
- Chris V.
